### MARCHing on in to the Outreach Center!

The groundhog's shadow aside, Spring is coming! We love Spring in the Grove - that has a nice ring to it, doesn't it? Spring means new life and flowers and colors and of course the celebration of the life, death, and resurrection of Jesus which gives us all these things and so much more! We live as those who are not without HOPE and we share in that living hope as we work together!

It is through this hope that we can face the tomorrows and provide help wherever is needed most. The past month, we have seen an increase of total needs - from hygiene needs to meals to paying bills - with 21 new households to the Center and a total of 1001 people served through Feb 27, compared to 621 last year!!! The steady increase of people coming to the Outreach Center means that the word is out about our Fresh Food Room and that we can provide assistance to qualifying neighbors throughout Greater Williamsburg. While certain programs will be available only to the Grove neighborhood, such as holiday help and school supplies/uniforms, we will continue to open our food programs and financial assistance to anyone who qualifies for help.

But we continue to need YOU! We can always use help, whether volunteering with us, donating to our operating and programs costs, or hosting a food drive in your school, church, businesses, or other organizations. We'd love to talk with you about getting a

fancy shmancy "**TROTTER BOX**" to load up with donations of food or household goods! Reach out to Allyson@groveoutreach.com to find out more about volunteering or hosting a donation box for us!

**We are honored and blessed to be busy and continue to do the work of meeting both tangible and intangible needs of our neighbors in Grove and throughout Greater Williamsburg! Thank you for your ongoing support for all we do.**

I want to help!
